American Lincoln Parts - Currently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are recognized in the industry as providing strong and durable equipment which suits the needs of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind model of floor scrubber together with the Clarke Company who is currently also owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln could provide machines, parts and warranty service for these scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of various facility managers where efficiency and results make a difference. Lately, this particular floor scrubber model has been requested by the architects in different construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on location due to the model's excellent quality and utmost performance level for polishing concrete.
