

## Concrete Hoppers

Concrete Hopper - This accessory is a self-dumping hopper which automatically activates to dump as soon as bumper release contacts the side of a dumpster. When unloading is completed, the hopper goes back to an upright and locked position. This particular piece of equipment is also accessible with a cable which enables operation from the seat of the forklift to be able to have the choice of manually unloading the hopper. There is a locking chain provided so as to secure the hopper to the tire truck. This particular product is constructed with consistent and reliable robotic welds for utmost strength. The lift truck dumping hopper likewise has a blue powder coat finish to maintain durability.
